

For the attention of the School Librarian

SchoolsUK is a collection of 33 online journals and magazines where students can easily search for relevant articles across various subject areas.

Results are delivered chronologically providing the most up to date materials.

By selecting a small number of carefully targeted titles, schools gain access to curriculum mapped articles providing trustworthy and authoritative content that is easy to use.

Articles can be saved and printed and via InfoMark technology, citations and articles can be linked into virtual learning environments.

Subjects covered include: English, Geography, History, Maths, Sciences and Technology amongst others.
